## About MUWO

Born in [October 1996](#), this season marks the 10th Anniversary of the [Manchester University Wind Orchestra](#). It was formed by Philip Robinson to give the many wind players at the University extra playing opportunities. It consists of students from the various higher education institutions in Manchester alongside players from the wider community, and takes pride in its [adventurous programming](#) developed over the last decade. Alongside more popular concerts of [film and show music](#), the orchestra have [commissioned several new works](#) by local composers, and given nearly [thirty world premières](#).

Alongside the three regular concerts MUWO perform each year, the band has toured across the [UK and Europe](#) and has been lucky enough to perform at venues such as the University of Barcelona, [Central Hall \(Edinburgh\)](#), Royal Scottish Academy of Music and Drama, Royal Northern College of Music and [Christchurch Cathedral](#) in Dublin. MUWO has performed at the Festival of British Youth Orchestras, given three concerts at the [BASBWE/RNCM International Wind Festival](#), and been invited five times to the [National Finals](#) of the National Concert Band Festival.
